Short bio

I am Alessandro Lonardi, an Incoming Assistant AI Researcher at Sony AI in Barcelona, Spain. Before that, I was a PhD student at the Max Planck Institute for Intelligent Systems in Tübingen, Germany. I did my PhD under the supervision of Caterina De Bacco in the Physics for Inference and Optimization group. My PhD was supported by the International Max Planck Research School for Intelligent Systems (IMPRS-IS), which is part of the Cyber Valley initiative. I obtained my Master's degree in Mathematical Engineering at the University of Padova in Padua, Italy. There, I also got my Bachelor's degree in Physics.
